

WOODY'S

HORSE NUTRITION

Made in small batches with locally-sourced ingredients in Dickinson, ND

WOODY'S ALL IN

A pelleted vitamin, mineral and amino acid supplement | Available in 20 lb (9.07 kg) bags

WOODY'S ALL IN IS IDEAL FOR

- All life stages, especially easy keepers
- Horses with metabolic disorders
- Any horse with a nutritional gap in vitamins and minerals such as horses fed unfortified grains such as plain oats

Woody's All In provides all the vitamins and minerals your horse needs but may not receive from a forage-only or unfortified grain diet. Chelated minerals enhance nutrient absorption to optimize health and performance. Vitamins A, D & E support strong vision, immune system support and bone health. Amino acids Lysine, Methionine and Threonine support muscle development and recovery, strong hooves and a healthy hair coat. Electrolytes encourage more frequent water consumption. Grain-free with no added iron! Suncured alfalfa provides a safe low-starch and palatable protein. All In is ideal for any horse with a nutritional gap in vitamins and minerals.

Feeding Instructions:

Horse Weight		800 or less	800 to 1,200	1,200 and up
workload	Idle	2 oz.	4 oz.	6 oz.
